DESIGN • MANUFACTURE • INSTALLATION • SALES • SERVICE • REPAIR

FOR THE RESIDENTIAL HIGH-RISE BUILDING INDUSTRY WE OFFER:

MANUFACTURE AND INSTALLATION

- 2 hour fire rated linen & garbage chute doors
- Garbage chute: pipes and accessories, flappers, closers, latches, handles, fire dampers
- Repair and retrofit to all kinds of chutes, including doors and hardware
- Garbage compactor machines
- Garbage bins, metal bulk recycling & organic containers as per City of Toronto specifications.

CUSTOM SHEET METAL & IRON FABRICATIONS

- Roof fan housings & flashings
- Bike racks & posts
- Troughs & trays for garage ceiling leakage
- Radiator covers
- Steel grates & heavy duty catch basin covers
- Balcony panels & dividers
- Kick plates and corner protection angles (steel, stainless steel & brass)
- Safety guards for window & wall mounted ladders
- Garbage bin lids & bottom base reconstruction
- Shearing-forming-welding
- Angles, tubings, flat bars and plates, galvanized, satin coated, aluminum, and stainless steel sheets (always in stock)
- Perforated metal and safety screens

SALES, SERVICE AND REPAIR

- Ventilation systems, fans and associated equipment parts & accessories
- Exhaust fans for garages, roofs and specific rooms (laundry, elevator, garbage, pool, lockers, etc.)
- Individual fans for suites (kitchen, bathroom and dryer)
- Shutters, guards, bearings, shafts, motors, pulleys, belts and other fan parts
- Filters for fresh air and kitchen exhaust
- Sheet metal housings, covers and goosenecks for roof fans
- Dryer pipes, elbows and wall caps
- Grilles and registers for any use including fresh air in corridors
- Boiler chimney pipes, rain caps and other associated parts
- Access doors (all sizes) - standard & fire rated
- Garbage bin casters/wheels and plastic lids
- Bin dollies (for maneuvering containers & bins)
- Pressure power washing
- Preventative Maintenance Programs (for all exhaust fans-garbage chutes and compactor machines)

Please contact us for repair, service or for advice on your next new project. Our valuable knowledge and experience, proven since 1965, allows us to solve your problems and fulfill your unique needs.
